## STARLINES CELEBRATES TEN STELLAR YEARS!

When residential trainer Franceen King proposed the creation of a new program using the physical universe as a guide to the inner-verse through exploring Focus levels 35 through 49, TMI gave her the green light to develop the project. Thus, *Starlines* was born. The first program was launched in 2003.

*I don't remember exactly when I became a stargazer. I suppose it was long before my experience in this embodiment. I do recall, however, that one of my first spiritual "epiphanies" this time around came from reflecting on the night skies in California when I was about five years old.*

- Franceen King, "**Following the Starlines**"

*Starlines* is a program for graduates of **Exploration 27®** who possess a burning passion for exploration and Self-discovery, an unquenchable curiosity, and an enduring love and respect for the Life Force in all of its expression.

**TMI is thrilled to celebrate the tenth anniversary of this popular and powerful program!**
